

April 11th, 2014

Dear Current Patient:

Effective June 1st, 2014, Medicaid (including Medipass) as we know it will no longer be available for your healthcare coverage.

You will be receiving a letter from Medicaid instructing you to choose a new Medicaid plan. Currently, Physicians' Primary Care OB/GYN and Pediatrics ONLY participate with Staywell Medicaid. **To continue to see our physicians and midwives you will need to select Staywell Medicaid and do so no later than May 22nd, 2014 per Medicaid guidelines.** There will be other Medicaid products available as a choice for your coverage. Keep in mind we do not participate with any other plans.

Should you have any questions, please contact one of our Financial Counselors at Park Royal at 239-432-5858 or our Cape office at 239-574-2229.

Sincerely,

Adrienne Negron
Office Manager
