

The Betty Allen Ovarian Cancer Foundation Announces First Motorcycle Awareness Ride

Source: Sharie Kearns

Dated: May 04, 2013

Ovarian cancer has the lowest survival rate of all gynecologic cancers. Early detection survival rate can be as high as 93% but only 15% of all cases are diagnosed at this stage. Please join us on May 11th to raise awareness and save lives!

Fort Myers, FL- In honor of this upcoming Mother's Day, please join us in celebrating the 1st "Betty's Bikers Kickin' Ovarian Cancer Awareness Ride" on Saturday, May 11th. "It is crucial that we continue to raise awareness throughout the community about this life threatening disease, says State Representative Heather Fitzenhagen, also a founding board member.

Registration starts at 10:00am with kickstands up at noon, with costs including \$15 fee for bikers, \$5 for passengers, and \$15 for non-riders and food at Ford's. The ride will start at North Collier Regional Park in Naples and end at Ford's Garage in downtown Fort Myers. Enjoy a cookout and music from local band DB9 upon finishing!

A special thanks to our sponsors at Dunkin Donuts, Physician's Primary Care of SWFL, Contour Body Works, Florida Injury Law Group and College Parkway Health.

For more information please visit www.ovariancancerfl.org or contact Sharie Kearns at 239-935-8325 (YEL-TEAL).

The Betty Allen Ovarian Cancer Foundation is a 501(c) (3) charitable organization that was founded on February 14, 2011. The foundation currently serves Lee, Collier, Hendry, Glades, and Charlotte counties.
