

## ABOUT US...

### MISSION STATEMENT

*Physicians' Primary Care is committed to being the premier multi-specialty group in Southwest Florida. Our mission is to serve our community by providing outstanding healthcare to our patients. We pride ourselves on our personal relationships with our patients as well as the comprehensive services we provide. Our compassionate, motivated and knowledgeable team of physicians and staff are dedicated to achieving this vision of excellence.*

Physicians' Primary Care of Southwest Florida, P.L. was formed in 1996 by several of the area's best-known independent physician groups. Our multi-specialty group consists of providers specializing in internal medicine, family practice and pediatrics with offices located in Fort Myers, Cape Coral and Lehigh Acres.

With this diverse group of primary care providers we are able to provide healthcare to newborns, children, teenagers, adults and seniors. We are also able to provide additional services through our fully accredited laboratory and ancillary team.

To accomplish our goal of providing outstanding patient care, everyone at PPC has made a commitment to abide by the following "PPC PROMISE"...

### The PPC Promise

At Physician's Primary Care, Our Family Will Take Care Of Your Family Through:

- **Compassion** – understanding that the patient who comes to us has healthcare needs and concerns
- **Respect** – recognizing that every individual deserves courteous and timely responses
- **Friendliness** – investing the time to build relationships and interact positively
- **Teamwork** – taking responsibility and putting individual needs aside to make a difference
- **Excellence** – going the extra mile without being asked and anticipating a need before it is expressed

We invite you to join our dynamic and growing PPC team.
